School Fees and Levy

Mount Barker South School fees and Levy will be invoiced and posted by Friday 13th February 2015.

The due dates for payment are:

- **Fees** 10th April 2015
- **Levy** 3rd July 2015

School Card Application Forms were included with your invoice.

We look forward to a prompt response from parents to commence a cash flow for the school. It is our aim this year to have school fees all paid or organised for payment by the end of Term 1. Your help here in getting the fees all finalised would be great.

Information being sent home will include:

- an invoice for 2015 school fees
- an invoice for the 2015 levy for activities
- a school card form
- School bank details if you choose to pay by the internet
- the BIZGATE option is still available this year, if you need information about this option please call me
- school now has an EFTPOS facility available

The legally recoverable amount for school fees for 2015 is set at $250.00. This amount was decided on by Governing Council and a poll was conducted of the school community. The majority of responses voted for this amount.

The School Card amount for 2015 is $226.00. This will leave a difference of $24.00.

In 2014 we trialled a levy payment, this covered the cost of your child swimming in term 4 and their gymnastic class in term 3. We had a great response to this option of paying the amount off over a period of time. Please be advised that this levy cost will be sent to a debt collection agency if unpaid by the end of the 2015 school year.

For 2015 the levy will be $100.00.

This amount broken down covers the cost of swimming $40.00, gymnastic $35.00 and the remaining $25 will be put towards the cost of any excursion undertaken. If, for any unforeseen reason that a class does not go on an excursion the unspent amount will be refunded.

Again for 2015, parents will have the option to pay in full or pay the amount off over the year.
